

ARRO Weld & Rubber Lining Pty Ltd is a Kalgoorlie-based industrial trades company operating out of our own workshop at 16 Great Eastern Highway. We are one of the first companies in the Goldfields to offer both structural boilermaking and rubber lining services under one roof — giving clients a single, accountable contractor for a broader scope of work. With over 20 years of hands-on industry experience across mining, processing, and heavy fabrication environments, our directors are on the tools and personally committed to quality on every job. Shutdown ready, DIDO available, site competent.
